APPLICATION FOR PERMIT UNDER POLLUTION-CONTROL ACT

I, Friedrich Bernhard Schulze, of 139 Estelline Road, R.R. 7, Victoria, B.C., hereby apply to the Secretary, Pollution-control Board, for a permit to discharge a domestic sewage effluent into Prospect Lake, which flows north and discharges into Tod Creek, and give notice of my application to all persons affected.

The point of discharge shall be located at Lot 11 and Lot A (formerly 10, 9), Section 134, Lake District, Plan 763A, at Prospect Lake.

The land upon which the effluent originates is as above.

The quantity of effluent is the normal quantity of a domestic sewage effluent, operating continuously, the characteristics being filtered septic-tank effluent.

The type of treatment to be applied to the effluent before discharge is primary sedimentation, chlorination if requested, sand filter.

A copy of this application was posted at the proposed point of discharge on the 23rd of January, 1963.

The works will be entirely on my own property.

Anybody objecting to this application may notify within thirty days the Secretary of the Pollution-control Board, Parliament Buildings, Victoria, B.C.

In our opinion this is an exceptional case, since the present conditions will be considerably improved because the new sand-filter system will be used for the same number of people only in addition to an existing septic tank which is now used and which is regarded as adequate.

The Grantee further covenants to carry on all its activities on the right-of-way in a careful seemly manner and to compensate the Grantor for any damage done in and about the exercise of its powers when such damage cannot reasonably be otherwise repaired or restoration effected.

The Grantor further agrees that all works installed by the Grantee in, on, or under the right-of-way shall remain chattels and the property of the Grantee.

It is agreed between the parties that the covenants herein contained shall run with the land and that the said covenants shall bind the Grantor during the period only in which the Grantor retains an interest in the lands.
